Ring the Bell Ice-breaker

www.itsadate.co.za

This Ring a Bell icebreaker is the perfect game for any party or gathering... wild, conservative, or anywhere in between. The examples below are specifically suited to a conservative gathering, but use your imagination and you'll be able to come up with some naughty and nice scenarios to fit your party.

The great thing about this game is that everyone can play and no skill is required. It also helps guests get to know one another in a less intimidating sort of way. Every 5, 10 or 15 minutes (depending on the length of your party and how many gifts you want to hand out), ring a bell and announce one of the scenarios below. The winning guest gets a small gift eg. a rose, a chocolate bar, a shooter - whatever you fancy!
